

Connect with the care you want

The online provider directory makes it easy to find providers, pharmacies and facilities that fit your needs.

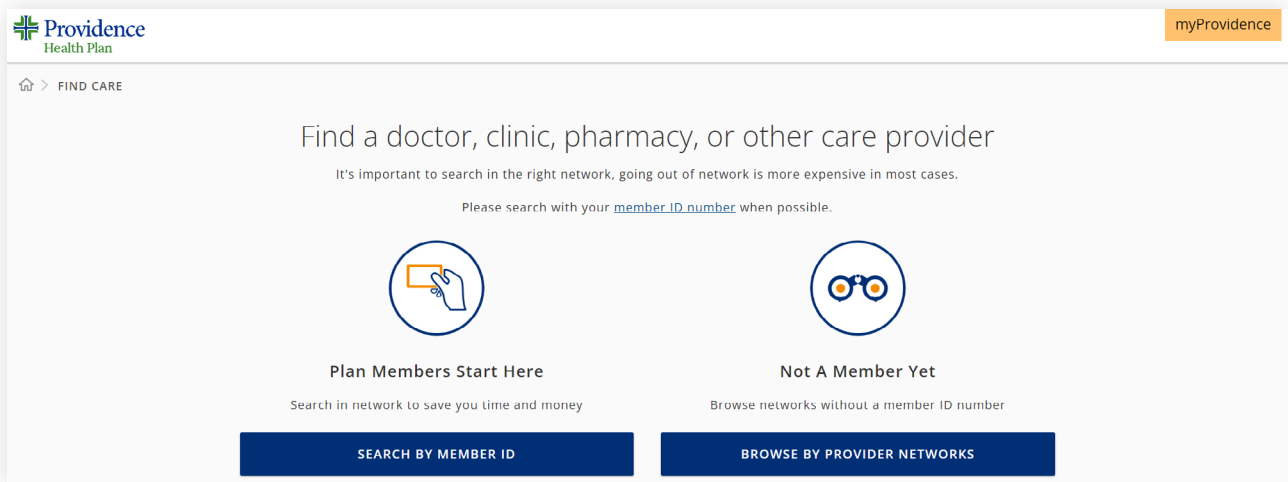

Easily find:

- Primary care, behavioral health and alternative care providers
- Specialists
- Pharmacies

Search filters include:

- Race and ethnicity
- Personal identity
- Cultural competency
- LGBTQ+

- 1 Find in-network providers, pharmacies and facilities:**
 Visit our website at ProvidenceHealthPlan.com/FindAProvider
- 2 Two ways to search**
 By member ID number or provider network

For best results, search by member ID number (from your member ID card) 

← Search by Member ID

Enter your PHP member ID number 

FROM: 5 Miles | LOCATION: Enter city & state or zipcode

Remember me on this computer

SEARCH

Don't have your member ID? Search by network instead.

← Search by Provider Network

Coverage through My Employer 

Extend PPO Network

FROM: 5 Miles | LOCATION: Enter city & state or zipcode

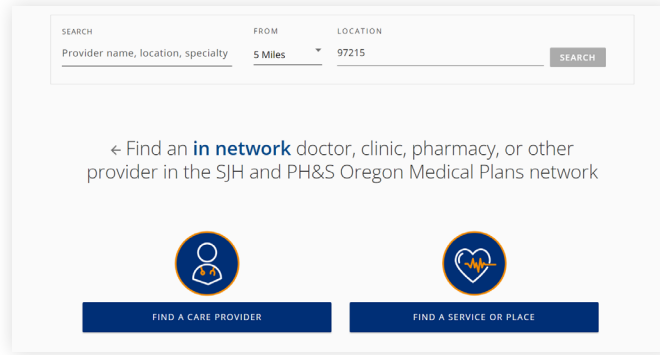

SEARCH

For best research results search using your Member ID.

 **Columbia Distributing**
 If you don't have your member ID, select "Coverage through My Employer" and then select "Extend PPO Network"
